Christmas Message

Christmas is the season of the Four G's. It is a good time to forget the two pagan G's of Getting and Grabbing and to remember the two Christian G's of Giving and Gratitude.

During the past year God has given us back the gift of peace, after the long hard years of war. All the Gratitude He asks is that we in turn give our fellowmen good will so that His precious gift of peace may not be dashed again to destruction. For two thousand years men have been trying to realize the angels' promise of "Peace on earth". Let's make good on it this time by making ourselves "men of good will".

Remembering how generously all of you, military and civilian personnel alike, have Given of yourselves throughout the past year to make our big job at Camp Upton a success, I want to express my Gratitude to you now in the true spirit of Christmas: may the peace of the Newborn Savior and His choicest blessings make all your days bright, happy and secure throughout the coming year.

A handwritten signature in dark ink, appearing to read "R. F. Scott". The signature is fluid and cursive, with a long horizontal line extending from the end of the name.

RAYMOND E. SCOTT, Colonel, Medical Corps
Commanding Officer, A.S.F. Convalescent Hospital (ZI)
